

It's Easy Being Green.

Introducing a **Recycling Program**
Designed Specifically for Companies
in Office Buildings.

You want to be a good corporate citizen. You want to help reduce waste. But when you're in an office building, coordinating a recycling program has meant a lot of hassle. At EnTrust, we've been involved with recycling for our clients for nearly two decades.

Now with EnTrust's new Recycling Services:

- **NO more** hauling bins to the curbside
- **NO more** cobbling together your own solution
- **NO more** requiring your own personnel to take time out of their already busy day to handle recycling

At EnTrust, we can help you go **GREEN** without the hassle

- We're the **ONLY** provider of in-office service for recycling of plastics, mixed papers, cardboard, glass and cans.
- We provide responsible, affordable and easy-to-implement recycling solutions
- Bin placement targeted to your heavy traffic areas to encourage utilization and participation
- Convenient emptying and servicing schedules

It couldn't be easier to try it:

If you're an existing records management customer, take advantage of our **two-month Trial Offer** for recycling.
